*....Where local
quality counts*

- We are a family run business established in 2008.
- Our first shop was at the home of the National Fruit Collection, where a Market place was created. A butchers was to be the hub of the local community.
- We now have 5 shops in Kent all using locally sourced meat.
- All our staff are from the local area providing over 30 full time jobs

Sourcing & Supplies

- Our meat is locally sourced using local farmers and keeping our food miles as low as possible, buying Champion Beef from Ashford Market on a regular basis.
- Over the years we have built relations with many local suppliers from our Beef from Aldington to Venison from Ashford even supporting young enthusiasts in purchasing locally shot rabbits.

Local Meat from the Garden of England

- Having the privilege of being able to source our meat from the wonderful surroundings that our shop is situated in is a joy and provides us with an abundance of choice.
- Our sausages are handmade onsite using pork that is from Orchard pigs and are created in over 20 flavours including “The Brogdale” using apples from the fruit collection.
- Kent Lamb is one of the most requested joint of meat having the amazing marshes to graze on, creating a succulent sweet taste.
- Beef is our jewel in the crown we have the facilities to be able to hang all our beef for a minimum of 28 days, giving the customer soft tender joints every time.
- Our recently added **Dry Aging** fridges with controlled humidity and Himalayan Salt to give the customer the best tasting beef available.
